DZENIS

Andrejs is highly regarded and a well-known litigator of repute among legal professionals as well as our clients.

He has considerable experience in litigating both – civil and administrative disputes in all court instances, including the Supreme Court of Latvia, as well as pre-litigation dispute resolution and arbitration procedures. Andrejs' practice also involves handling matters before the Court of Justice of European Union.

He has successfully handled the most sophisticated and complex court cases and has assisted clients in resolving a wide range of most complex legal problems often requiring an innovative approach. Andrejs' success has been noted – Legal 500 EMEA 2010th annual edition he is singled out as a talented litigator.

Besides dispute resolution, Andrejs is an expert in Real estate and Construction, Banking and Finances, Commercial law as well as Labour law issues. He also acts as a member of M&A team and participates in handling legal due diligence.

Andrejs' recent track record includes representing and advising clients in the areas of criminal and criminal procedure law, especially on matters pertaining to financial and economic crime.
